OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 28 November 1973

- 25X1 1. [] Guy McConnell, Senate Appropriations Committee staff, called and said he would like to get together with [] and me 25X1A
25X1A to go over the changes made by the House Appropriations Committee in the Defense appropriations bill. He said he was particularly interested in what 25X1A
25X1A the House did to the [] and added that [] had been cut as well as some cryptographic programs. He said he would like to review this entire area with [] and arrangements were made to meet with him tomorrow afternoon.
- 25X1 2. [] John Goldsmith, Senate Armed Services Committee staff, visited the Agency and was briefed by Messrs. Shackley, 25X1A
25X1A [] of EA Division, in connection with Goldsmith's upcoming trip to Southeast Asia. EA Division is sending a cable alerting our people to his travel plans.
- 25X1 3. [] Called Bob Allnutt, Staff Director, Senate Committee on Aeronautical and Space Sciences, and alerted him to Soviet preparations for an unmanned space shot within the next few days. I told him that the Soviets appeared to be testing changes in the Soyuz space craft in preparation for the joint Apollo/Soyuz space mission in 1975.
- 25X1 4. [] Called Art Kuhl, Senate Foreign Relations Committee staff, and discussed with him what appears to be a forged letter 25X6
25X6 purportedly signed by Senator Frank Church which has come to our attention through [] authorities. I asked Kuhl if he had heard anything about such a document and he said he had not. When I asked him who he thought we might discuss this with in Church's office, he suggested Tom Dine, on the staff of Church's Special Committee on the Termination of the National Emergency. Kuhl warned, however, that if this is discussed with Dine and/or Church we can expect to read about it in Jack Anderson's column. I told Kuhl I would talk further with our people about this and decide what we would do about it.
